We at New Era believe in the policy of

**"I do I understand"**

therefore the conceptual learning in our primary sections, specially is enhanced by providing students opportunities to do various activities on their own...

This is our way of ensuring that learning is permanent with them...

Well done students and thank you to all the parents who help us in achieving our dream of creating aware citizens of tomorrow...

Look at the creativity of our tiny tots and don't miss to also notice how they incorporated all the knowledge the teacher imparted...
